Re: 15th World Wushu Championships (2019 Shanghai)

Dear President,
Dear Secretary General,

On behalf of the International Wushu Federation (IWUF), I warmly invite you to participate in the 15th World Wushu Championships to be held in Shanghai, China beginning on October 19, 2019.

Since its inception in 1991, the World Wushu Championships has become the iconic and most elite wushu competition in the world. Athletes and coaches struggle, strive and push themselves to their very limits to reach this pinnacle of sport. Here men and women can fulfill their dreams of becoming true and indisputable champions, stepping into the spotlight before the whole world, and earning their own unique place in wushu history. Over the past 30 years, the growth and development of the IWUF's World Wushu Championships could not have been such a remarkable and unqualified success without our members. I would like to thank you for your long-term participation and support of this premier biennial event, for without you our steady and remarkable growth would not have been possible.

In 2019, the 15th World Wushu Championships will be held in Shanghai, around 100 countries and regions are expected to participate in this momentous event. We believe that this will be a grand gathering of our wushu family – perhaps the grandest ever. At these championships participants will experience new refinements and concepts that our IWUF Executive Board and working team have been busy working on. We look forward to seeing our esteemed members in Shanghai with great enthusiasm and anticipation, because this historic gathering will succeed only with your participation. Your support is the key to the spread and maturation of wushu worldwide, to its continued technical refinement, and to passing its torch on to the next generation.

In 2019, together with the host city of Shanghai, the IWUF will offer you a brilliant, unparalleled and historic wushu experience at the 15th World Wushu Championships. There will be pageantry and passion, sweat and tears, and friendships cemented that may endure a lifetime. We hope all our members will make themselves an organic and vital part of this history which will springboard our sport into the next decade.

Friends, I look forward to meeting you in Shanghai!
